Commission Update

Beginning August 8, 2000, CNA International Life will be implementing a **weekly** commission schedule. We know in this fast-paced life that quick turn-around time- whether it is your client's policy or your paycheck- is very important. So we have made the necessary updates and will be issuing commission payments weekly.

Remember that if you want your commission payments even faster and you have an U.S. bank account, you can enroll in our EFT payment program. This will allow you to have your payments deposited directly to your bank account with no more checks to take to the bank. To enroll in this program, please fill out the form located on the CILC website www.cnainternationallife.com.ky under Broker Services.
