Replaces: None

## INTEREST RATES EFFECTIVE 3<sup>RD</sup> QUARTER 2000 ON INTEREST-SENSITIVE LIFE PRODUCTS

The interest rates shown below for ViaMax UL International are based on a new money/old money crediting strategy. Credited interest rates for universal life products are reviewed and announced quarterly. However, we still retain the flexibility to change rates as often as monthly.

Current interest crediting rates are:

CURRENT DECLARED INTEREST CREDITING RATES		
Product	New Deposits 3 <sup>rd</sup> Quarter 2000	Rate entered for Software 1 <sup>st</sup> Year/ 2+ Years
ViaMax UL International	<b>6.50%</b>	6.25%/6.25%

**\*\*Changes are shown in bold**

### Instructions for Changing the Interest Rate in the Illustration Software

1. Start the CNA Illustration System.
2. Select OPTIONS from the main menu.
3. Select CHANGE INTEREST RATES from the OPTIONS menu.
4. Hit F3 to open a list of all products available on the system.
5. Select the product to change and hit ENTER.
6. Type in the First Year Interest Rate and hit ENTER.
7. Type in the After First Year Interest Rate and hit ENTER.
8. Hit the ESC key to close the Change Interest Rates window.
