

# CILC Bulletin

Issue date: December 13, 2000  
Effective: December 13, 2000  
Bulletin number: CILCUW-5E  
Replaces: None

---

## Additional In-Country Lab

Effective immediately we will begin processing labs for residents of Costa Rica through Laboratorios Labiclin. This facility will be able to perform both the labs and the paramedical exam. We will continue to use our approved doctors to perform EKGs and MD Exams.

In order to process the labs in country, we will not make any changes to normal requirements. Please see the lab contact information below.
